

Silent Honor (Paperback)

Filesize: 7.11 MB

Reviews

Comprehensive manual for ebook fans. I am quite late in start reading this one, but better then never. Its been written in an exceptionally basic way and is particularly merely soon after i finished reading this publication in which really changed me, affect the way in my opinion. (Prof. Antone Olson II)

Dell, United States, 1997. Paperback. Condition: New. Language: English. Brand new Book. In her 38th bestselling novel, Danielle Steel creates a powerful, moving portrayal of families divided, lives shattered and a nation torn apart by prejudice during a shameful episode in recent American history. A man ahead of his time, Japanese college professor Masao Takashimaya of Kyoto had a passion for modern ideas that was as strong as his wife's belief in ancient traditions. It was the early 1920s and Masao had dreams for the future--and a fascination with the politics and opportunities of a world that was changing every day. Twenty years later, his eighteen-year-old daughter Hiroko, torn between her mother's traditions and her father's wishes, boarded the "SS Nagoya Maru" to come to California for an education and to make her father proud. It was August 1941. From the ship, she went directly to the Palo Alto home of her uncle, Takeo, and his family. To Hiroko, California was a different world--a world of barbeques, station wagons and college. Her cousins in California had become more American than Japanese. And much to Hiroko's surprise, Peter Jenkins, her uncle's assistant at Stanford, became an unexpected link between her old world and her new. But in spite of him, and all her promises to her father, Hiroko longs to go home. At college in Berkeley, her world is rapidly and unexpectedly filled with prejudice and fear. On December 7, Pearl Harbor is bombed by the Japanese. Within hours, war is declared and suddenly Hiroko has become an enemy in a foreign land. Terrified, begging to go home, she is nonetheless ordered by her father to stay. He is positive she will be safer in California than at home, and for a brief time she is--until her entire world caves in. On...
